EYES: If product is in the eyes, flush with copious amounts of lukewarm water for at least 15 minutes. Open and close eyelid(s) to ensure thorough irrigation. Consult a physician and show him the product's container or label.

SKIN: If redness, dryness or other signs of irritation to the skin develop, wash affected skin areas with plenty of warm water and soap. If irritation persists, consult a physician.

REACTIVITY INFORMATION

Stability:

Stable when stored properly in a closed container.

Incompatibility:

n/a

Hazardous Reactions:

n/a

Decomposition Products:

n/a

Hazardous Polymerization:

Avoid exposure/contact to extreme temperatures, strong light sources, sparks and/or a flame.

SPECIAL PROTECTION INFORMATION

Eye Protection:

Safety Goggles

Skin Protection:

Hand protection is not required under normal conditions

Respiratory Protection:

No special respiratory protection is required under typical use or handling.

Other:

Use with adequate ventilation (e.g., local exhaust ventilation, fans).

Not not classifiable as a human carcinogen.

ENVIRONMENTAL IMPACT/SPILL OR LEAK PROCEDURES

Spill or Leak Procedures:

Before cleaning any spill or leak, individuals involved in spill cleanup must wear appropriate Personal Protective equipment. Maximize ventilation and secure all sources of ignition. Sweep up spilled material or remove spilled material with absorbent material and place into appropriate closed container for disposal. Dispose of properly in accordance with local, state and federal regulations. Wash all affected areas and outside of container with plenty of warm water and soap. Remove any contaminated clothing and wash before they are worn again.

SPECIAL PRECAUTIONS/STORAGE AND HANDLING EQUIPMENT

Storage & Handling:

Use in a well-ventilated location and avoid breathing the vapors generated by this product. After using this product wash skin thoroughly with plenty of soap and water. If necessary, use a moisturizer after washing. Do not eat, drink, or smoke while handling this product. Keep away from excessive heat, open flames, sparks, and other possible sources of ignition. Do not store in damaged or unmarked containers or storage devices. Keep in containers securely closed when not in use. Open slowly on a level, stable surface. Empty containers may contain residual amounts of this product; therefore, empty containers should be handled with care. Avoid eye contact. As a precaution against exposure to the eyes this product should not be stored higher than waist level. Do not store where temperatures can exceed 120 °F. Clean all spills promptly and thoroughly. Keep away from children at all times!
